Discuss the following questions.

Listen to the song.

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't
see,
I'll be the light to guide you

Find out what we're made of
When we are called to help our friends in need

You can count on me like one two three
I'll be there
And I know when I need it I can count on you like four
three two
You'll be there
'Cause that's what friends are supposed to do, oh yeah

Whoa, whoa
Oh, oh
Yeah, yeah

If you tossin' and you're turnin' and you just
can't fall asleep
I'll sing a song
Beside you
And if you ever forget how much you really
mean to me
Everyday I will
Remind you
